# **CARING FOR OUR COMMUNITY. EVERY STREET COUNTS.**

Mayor Greg Ballard and Public Safety Director Troy Riggs initiated a visionary analytical review of public safety and quality of life data to identify strategic, focus areas in Indianapolis that need immediate and sustained attention. This effort will bring government agencies together with community, church, civic and educational leaders to develop long-term solutions to reduce crime and enhance quality of life in some of Indianapolis' most-challenged areas.

## Mayor Greg Ballard's 3 Bucket Approach

**PREVENTION**

**PROTECTION**

**PUNISHMENT**

## Bucket 1: Prevention

- Expand access to high-quality preschool
- Engage re-entrants through Indianapolis Parole Accountability Team (InPAcT)
  - Community parole program
    - Engagement now beginning 60 days prior to re-entry
- First-day in
  - Over 2,500 offenders have viewed the First-day in video
- Holding a multi-agency Re-Entry Conference
  - Conference will be held on Thursday, October 30, 2014

# Bucket 1: Prevention

- Continue Grant Application Support
  - Provided letters of support for:
    - Shepherd Community Center
    - Indiana Black Expo
  - CICF
    - Provided funding for mini-grants and first-ever DPS 5k for Summer Jobs
    - Awarded \$50,000 to Indy Public Safety Foundation
  - National Alliance on Mental Illness (NAMI)
    - \$6,000 for Critical Incident Training (CIT)
  - Local Initiatives Support Corporation (LISC)
    - Collaborated on Byrne Justice Assistance Grant
    - Provided letter of support for CICF funding opportunity

# Bucket 1: Prevention

- Continue Community Conversations
  - Invaluable community engagement heightens awareness of root-cause issues
    - Violent crime and property crime
    - Opioid abuse
    - Youth challenges
    - Challenges for single mothers
    - Mental health
    - Poverty

## Bucket 2: Protection

- IMPD Tactics
  - Allocation of officers, hiring of civilian personnel
    - More than 150 officers returned to the street through reallocation and civilian hiring
  - Growing the force
    - Recruit classes in 2014, 2015, 2016 and 2017
  - Use of full-time SWAT
    - Implemented in 2014

## Bucket 2: Protection

- Homeland Security
  - Code for America
    - 3 coding experts to arrive in February
- Communications/technology
  - \$18 million investment
    - New records management system allowing real-time information exchange between law enforcement agencies
      - Database now includes 124,000 incident reports and 167,000 names
    - CAD (Computer Aided Dispatch)

## Bucket 3: Punishment

- Pursue mandatory minimum sentences for violent felons with guns
  - Jan. 1, 2014 – June 15, 2014: 70 criminal homicides
    - 23 homicides would not have occurred if a 10-year mandatory minimum had been in place.
      - 18 homicides would not have occurred if only a 5-year mandatory minimum had been in place.

## Bucket 3: Punishment

- Research correctional engagement center
  - Assistance vs. incarceration
    - DPS efficiency team to be implemented to study feasibility
